BELLINGER SYSTEMS
A SYPAQ Company

Company Policy

Bellinger Systems Pty Ltd is committed to providing a design and development, manufacture, overhaul, repair and calibration service of quality that satisfies our customer requirements.

We strive to achieve this by:

- Ensuring that our services comply with customer requirements and meet or exceed our customer expectations;
- Striving to continuously improve our services and processes;
- Recruiting, training and retaining highly qualified and motivated staff; and
- Maintaining a quality management system that conforms to the requirements of AS/NZS ISO 9001.

Management promotes and enforces all applicable aspects of Work Health and Safety Legislation.

All staff are aware and alert to WHS issues and are responsible for reporting potential hazards.

Management is committed in encouraging awareness to environmental issues and in complying with all Environmental Legislations and Regulations.
